DataBank Letter:

Dear Valued Customer:

Reebee DataBank is offering a discount to any existing account that changes over to our automatic payment method. For one year we will credit your account \$5.00 per month for this option. Nothing else will change. You will still receive your monthly invoice for your records. This is how it works:

Reebee DataBank offers two convenient direct payment options:

1. Automatic monthly payment with your Visa, MasterCard or American Express Business credit or debit card. Simply provide Reebee with your credit or debt card number and expiration date, and sign a form authorizing Reebee to charge your card or your monthly Reebee bill.
2. Automatic monthly payment via ACH. Simply provide Reebee with your bank's ABA number for your checking or savings account number, your checking or savings account number, and sign a form authorizing Reebee to charge your card for your monthly Reebee bill.

Please contact Tim Deets at 847.994.8029 if you want to sign up for either of these payment options.

Sincerely,

Robert Licata
Vice President and General Manager
Reebee Storage and Moving Company
